PROFESSIONAL SUMMARY

Digital Marketing and Social Media professional with hands-on experience in managing company social media platforms, content planning, digital campaigns, Meta Ads, lead generation, SEO, website-related digital activities, and creative content production. Experienced in managing Instagram, Facebook and LinkedIn, developing content ideas, writing video scripts, shooting and editing videos, and supporting overall digital brand communication. Strong interest in social media, content creation, creativity and digital marketing, supported by an MCA background and technical understanding.

PROFESSIONAL EXPERIENCE

Finsera Ventures Private Limited — Digital Marketing & Social Media

Digital and Social Media Marketing Executive | Final Working Date: 2 September 2026

- Managed the company's social media presence across Instagram, Facebook and LinkedIn, including content planning, publishing and regular account management.
- Planned and created social media content, content calendars, captions, creative concepts and campaign ideas according to the company's marketing requirements.
- Managed Meta Ads campaigns and lead-generation activities, including campaign execution and digital promotion.
- Worked on SEO and website-related digital marketing activities to improve online visibility and support lead generation.
- Developed video content by writing scripts, planning concepts, shooting videos and editing content for social media platforms.
- Handled complete content requirements including new content planning, creative execution, social media posting and video-based communication.
- Managed and coordinated the company's Tata Tele telecaller setup/work as part of the company's lead and customer communication process.
- Supported and coordinated technology-related work across the company, including website and other digital/technical requirements.
- Worked independently across marketing, creative, social media and technical requirements while coordinating with internal team members whenever required.
